**MOST
INFLUENTIAL
YOUNG
ECONOMISTS**

SUB-SAHARAN AFRICA 2022

www.charteredeconomist.org/miye

OVERVIEW

This is the most-anticipated annual compilations of young, bold and brightest economists who are under age of **40 years** old.

This initiative is aimed at celebrating new economic thinkers and rising economists who are influencing positive change across their country's economy.

This will highlight the bold, true and genuine potentials of young economists whose works are at par with their impacts whiles serving as a source of encouragement to other young individuals whose commitment towards stimulating growth is undoubted.

SELECTION CRITERIA

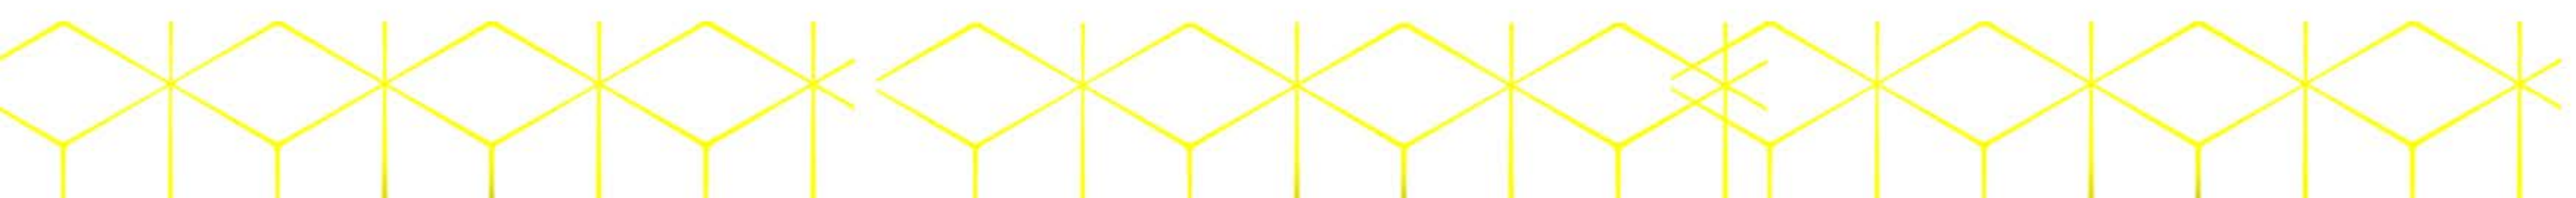

A nominee must:

- 01 Be a citizen of a sub-Saharan African country
- 02 Reside and work in Sub-Saharan Africa
- 03 Be aged between 20 - 40 years.
- 04 Have a minimum of a Master's Degree in Economics
- 05 Have a minimum of 3 years working experience
- 06 Be willing to provide evidence of impact
- 07 Proof of work showing how he/she is influencing economy as an economist

SELECTION PANEL

The Selection Panel consists of astute economists, researchers and professionals who have demonstrated significant track record of working experiences and achievement in the economics profession.
